RE: Employee Work Anniversaries in November 2023

As we approach November, I'd like to highlight our municipal staff members who will be celebrating their work anniversaries next month. Their dedication greatly benefits our city.

Please take a moment to review the list of these employees. Publicly recognizing their achievements at the next council meeting would mean a lot to them and demonstrate our appreciation for their service.

I also request that this message be included in the November 8, 2023, City Council agenda.

Let's honor their milestones. I appreciate your support.

Sincerely,

Mayor Caba
