RE: Employee Work Anniversaries in December 2023

As December begins, let's turn our attention to the city staff members celebrating their work anniversaries this month.

This list showcases the hard work and valuable contributions these city employees have made towards improving our city. Please take a moment to look over the names of these dedicated staff members who are celebrating their work anniversaries in December.

Your recognition of our employees' achievements is greatly valued. A small gesture of appreciation, such as acknowledging them at the December 13th city council meeting, would recognize their efforts and commitment to our residents.

I'm grateful to these employees for their dedication and hard work. I also appreciate your efforts in acknowledging and celebrating the achievements of these individuals.

Sincerely,

Mayor Helmin J. Caba
